

# PHONICS INTRODUCTION

## Little Wandle Phonics

**At First Tower School we follow the Little Wandle Letters and Sounds Revised phonics programme.**

**This link will take you to the 'For parents' section of the website which has lots of helpful tips and resources to help your child with their phonics at home. It includes videos so you are able to hear how each sound should be pronounced as well as videos to show how we teach phonics to your children at school.**

**Please ensure you regularly practise phonics at home whilst you are reading with your child as it is a fundamental part of your child's development and will greatly help in their progression through school.**
