

French

Children from Year 3 to 6 at First Tower School will learn French. Pupils will have opportunities to develop proficiency in French and understand the benefits of cultural and linguistic diversity, championing its contribution to life in Jersey and for the globalised world.

Children will make progress in language development and learning in French. They will learn to speak, read and write in French through games and activities which focus on communication. In Year 5 they will take part in The French Experience. This is an immersive teaching and learning programme which involves pupils participating in quality French lessons at least three times per week where their skills will be uplevelled in an intensive language course which will support them to achieving the French language goals in Year 6 assessments as well as fostering a love of the French language and culture and a desire to further language learning in the future.
