

# OPAL Outdoor Play and Learning

- At First Tower we know that our pupils' make the best progress when their learning and play encompasses our school values; **Together...we respect, we learn, we persevere.** Our commitment to provide quality play experiences supports pupils to achieve their very best.
- Our school believes that all children need opportunities to play that allow them to explore, manipulate, experience and affect their environment.
- Risk-taking is an essential feature of play provision and of all environments in which children legitimately spend time at play. Play provision aims to offer children the chance to encounter acceptable risks as part of a stimulating, challenging and managed play environment.
