

Phonics

We're teaching every child to read with Little Wandle Letters and Sounds Revised

A complete SSP validated by the Department for Education

At First Tower School, we believe that all our children can become fluent readers and writers. This is why we teach reading through Little Wandle Letters and Sounds Revised, which delivers a highly effective, systematic and synthetic phonics program. We start teaching phonics in Nursery/Reception and follow the Little Wandle Letters and Sounds Revised progression, which ensures children build on their growing knowledge of the alphabetic code, mastering phonics to read and spell as they move through school. As a result, all our children are able to tackle any unfamiliar words as they read. At First Tower, we have a strong focus on language development for our children because we know that speaking and listening are crucial skills for reading and writing in all subjects.
