

Welcome to the Year 6 Team

Mr Pallot and Miss Day welcome you to the year 6 page. We are really looking forward to working with you. Alongside us to support you in your learning journey are Mr Hocquard and Miss Colley.

In year 6 we want to ensure we develop the skills and mindsets to be ready for secondary school. We recognise the importance of this being your final year at Primary school, so we have lots of exciting learning opportunities planned such as a residential trip and end of year production.

We want you to feel engaged, enthusiastic and encouraged in your learning whilst also supporting our school values. Together... We respect, we learn, we persevere
